CLERK OF COURT

MAR 15 PM 12:12

DISTRICT COURT
DISTRICT OF MASS.

CIVIL ACTION NO.: 04-40197-FDS

MOTION TO AMEND COUNTERCLAIM

The defendant Architectural Deleading, Inc. moves the court, pursuant to Federal Rule of Civil Procedure 15(a), as a matter of course, no responsive pleading having been filed, to amend its counterclaim filed in this matter against all plaintiffs to correct a computer error. As reason, the defendant states that the counterclaim as filed (contained within a pleading captioned "Answer of Defendant Architectural Deleading, Inc. to Amended Complaint, Counterclaim and Jury Demand") is missing two lines in paragraph 5, apparently deleted by computer error. The amended counterclaim restores these two lines.

The defendant prays that the amended counterclaim filed herewith (captioned "Answer of Defendant Architectural Deleading, Inc. to Amended Complaint, Amended Counterclaim and Jury Demand") be accepted for filing upon allowance of this motion.

The Defendant,
ARCHITECTURAL DELEADING, INC.
